Dear Parishioners,

*A message from Lorraine Henriksen:*

***As many of you will know, I am the Area President for St John Ambulance (SJA) and we are urgently seeking Volunteers to re-start the HLS at the North Walsham Community Hospital. Interestingly, it was during Covid that hospital staff realised the benefit to the patients of the HLS. The books played their part, but the previously un-noticed benefit was the visit by an 'outsider'. Very much in line with our own SVP (Society of St. Vincent de Paul) remit the service provided someone with a friendly face, who came from outside the hospital environment and its routines and someone who had time to talk and importantly, to listen. The lack of this un-prescribed tonic was noticed, and was being welcomed back.***

***I am therefore asking whether any members of our Parish, or anyone you know, might be interested in becoming an HLS Volunteer in the North Walsham area. Only one ward would need to be covered in each hospital once a week, for a start two HLS volunteers in each would be sufficient, but obviously more will 'lighten the load'! It is not necessary for the Volunteers to have, or have had, any connection with SJA but they will need to become members of the SJA Fellowship, for insurance cover. Books are provided by the NCC Library and Information Service. They are ordered by the Senior Volunteer in the hospital. The HLS provide the book trolley and the tabards for the volunteers to wear. Car parking is free for all volunteers at the Community Hospitals.***

***I hope this might light a spark with someone in our congregation and I will be very happy to provide further information to anyone who may wish to know more about this interesting and helpful volunteering role.***
