..... ATTENTION!!!! .....

We are delighted to inform parishioners that we now have firm plans in place for the installation of the new drainage system at Our Lady of Refuge, Cromer.

Work will begin on Monday 23 October and take up to two weeks. Access to the car park and the church will be maintained throughout, but the car park capacity will be reduced and the paths and grounds will be covered with temporary boarding.

There will be **no Mass** at 9am on 23 October 2023, Monday, as the site will be extremely congested at that time. Please be cautious when moving around the church grounds during this time.

Any questions should be sent to the email account: admin@ourladyandstjoseph.info.
