## APPEAL FOR ADDITIONAL COLLECTION COUNTERS

We have a dedicated group of Parishioners who carry out this vital task for the Parish. However, we need more volunteers for this essential task. The role involves working with one other Parishioner (not a relation) to count all the collection and other Parish money. Counting takes place each week at St. Joseph's Presbytery working to Diocesan guidelines. Average time involved is about one hour – the frequency will be determined by how many volunteers we get to join our existing team. If this is something you would like to become involved with then please contact either Father Trindade or Michael Trott (Finance Committee Chair). Full training will be given.

## Communion to the sick and housebound

Father Trindade would like any Eucharistic Minister who is carrying out home visits to provide him with a list of names and addresses and contact points if in residential care. Father Trindade wants to ensure Parish records are up to date and wishes to also take communion to each housebound or sick parishioner between now and September.

Please provide Father with these details ASAP so that the planning can begin.

**Parish Picnic-** Today is the last chance to sign up for the Parish outing at Binham Priory to be held on Saturday 13th July 2024.

**Parish Magazine –** If you have any articles for the Summer Edition, please let Dave Burns have them by return please davidburns@dbaconsulting.co.uk

## North Norfolk SVP Conference appeal

**An appeal for funds to support our latest initiative to support families in our TEA (Temporary Emergency Accommodation) Project:**

We are adding toy boxes and mini libraries into our properties, and also implementing a 'pick-a-duvet and teddy' for the children, to make them feel more welcome in their new home and comfortable sleeping in their new bedrooms. Having to move home and sometimes very suddenly can throw children's routines and confuse them. So, we are hoping by allowing children to make this small decision, will allow them to take back a bit of control and excite them to be in their new space. We also want to make sure all children have a space to be able to do their homework and therefore need to buy supplies for this. This is to support us in providing a child-centred, family friendly approach in our accommodation, with hope that the things we can provide will help settle children into their new homes, and bring families together in hard times. Many of our children experiencing homelessness have to leave their belongings behind, so we are hoping these little touches, will make things a little easier for them and their parents/guardians.

## GIFT AID
